

# revo-link

Hello Friends of the revolution aka, Abundant Life Campus Church!

Electronic giving is finally here! "revo-link" is an electronic tithes and offerings program. Your gifts can now work harder than ever to make the ministries of the revolution possible. When you participate in the revo-link program, your gifts will be transferred conveniently each month from your checking account directly to the revolution.

With the revo-link program, your gifts will go further than ever, allowing the revolution to reduce administrative costs, plan future projects with greater efficiency, (since more will be known about its revenue stream over the months ahead), and spend more time on ministry, and less on gift processing. The revo-link program is convenient, as well as safe, secure and reliable.

As a participant of the program, you are still free to make additional gifts by check or cash as the Lord provides. All normal methods of giving on Sunday mornings or via the mail send directly to the church office will continue to be available. Also, giving via your checking account or your credit card online at revoweb.net is now available! Annual receipting will continue as usual.

A record of each gift will appear on your monthly bank statement and on the annual receipt the revolution will provide you. You may increase, decrease, or suspend your giving at any time by emailing or calling Mark Rohlfing (765-760-9779 or giving@revoweb.net). All checking transfers from members' accounts comply with U.S. law.
